

KIDNEYS WEAKENING?

LOOK OUT!

Kidney troubles don't disappear of themselves. They grow slowly but steadily, undermining health with deadly certainty, until you feel a victim to incurable disease. Stop your troubles while there is time. Don't wait until little pains become big aches. Don't trifle with disease. To avoid future suffering begin treatment with GOLD MEDAL Haarlem Oil Capsules now. Take three or four every day until you are entirely free from pain.

This well-known preparation has been one of the national remedies of Holland for centuries. In 1896 the government of the Netherlands granted a special charter authorizing its preparation and sale.

The housewife of Holland would almost as soon be without food as without her "Real Dutch Drops," as she quaintly calls GOLD MEDAL Haarlem Oil Capsules. They restore strength and are responsible in a great measure for the sturdy, robust health of the Hollanders.

Do not delay. Go to your druggist and insist on his supplying you with GOLD MEDAL Haarlem Oil Capsules. Take them as directed, and if you are not satisfied with results your druggist will gladly refund your money. Look for the name GOLD MEDAL on the box and accept no other. In sealed boxes, three sizes.

RETAIL MERCHANTS TO ORGANIZE IN STATE.

At a meeting of the retail merchants of Kentucky in Louisville last week, plans were made to launch a statewide campaign to organize business throughout the State. An organization known as the Retailers' Association of Kentucky was formed, and the campaign will be launched to secure 4,000 retail merchants of the State as members of this association.

These merchants will represent every line of business in the State.

An educational campaign to instruct the merchants of Kentucky in the plans of the organization will begin at once in many counties. Speakers appointed at the called meeting in Louisville visited these counties, to organize meetings of merchants in districts to instruct them in the plans of the organization.

There is more Catarrh in this section of the country than all other disease put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts through the blood on the mucous surfaces of the system. One Hundred Dollars reward is offered for any case that Hall's Catarrh Medicine fails to cure. Send for circulars and testimonials.

THE BIG STEEL STRIKE

PITTSBURG, Pa., Sept. 25.—Representatives of the companies announce that they are in better shape to-day to continue the operation of those plants which did not close Monday, while the union leaders declare that the strike is spreading and will cripple additional mills before night.

The Carnegie Steel Company, largest subsidiary here of the United States Steel Corporation, has closed several of its plants in the district, but, according to an official of the concern, the situation as regards labor is improving.

Disorders, some of a serious nature, marked the first day of the strike in the Pittsburgh district. Two men were killed at Farrell, Pa., one during a clash between State police and local officers and a crowd of 1,500 persons near the American Steel & Wire plant. The other victim was murdered by a fellow boarder when he is said to have refused to go on strike.

Two State troopers were shot during the Farrell outbreak, while seven persons were struck by bullets during a clash between mill guards and a crowd at Newcastle, Pa.

Other disorders occurred in the district, and many persons were slightly wounded.

DEMAND CREDENTIALS FROM THOSE WHO ASK.

Warning against people who are taking advantage of the present Salvation Army Campaign to do a little collecting on their own account, is issued by Geo. R. Campbell, State Campaign Director.

Many of these irregular collectors wear garments which look like the regular Salvation Army uniform and say that they are doing the "same kind of work." They do not stop to explain very fully about their mission in life. Mr. Campbell suggests that before contributing to any stranger, the one approached should ask and make certain that it is indeed to the Salvation Army that he is giving.

JUST WHAT SHE NEEDED.

"They not only relieved me of indigestion, but toned up my liver and rid me of backache and dizziness that I had been subject to for some time. They did me a world of good and I will always speak a good word for them."
